

# Writing articles

Tom Rochette <tom.rochette@coreteks.org>

November 30, 2025 — [aab69965](#)

- Define what is it you want to communicate
- Define why it is you want to communicate what you want to communicate
- Define who you are communicating to
- Write down all the topics you want to cover
- Organize the topics in a structured manner (i.e., an outline)
- Write a draft
- Expand the points of the draft
- Review the grammar with LLMs
- Use keywords services to find topics that may be related and interesting to cover
